Mission, Motto & Vision

Mission

Dr. A. Q. Khan School & College has been established as an English-medium institution for the residents of Bahria Town and connecting communities with the following objectives:

- *Academic Excellence*
- *Character Building*
- *Social Grooming*

Motto

Character before career

Vision

To provide conducive environment to the students for the development of their cognitive, critical and scientific thinking. College is committed with the holistic efforts in training well-rounded, disciplined, confident and ethical individuals who realise their potential and contribute to the society successfully.

Message of Vice Chief Executive Bahria Town

As an emerging developer, Bahria Town is committed to develop and deliver academic programs that can develop the strengths and potential of our students. We emphasize the development of the core competencies of our students which means their knowledge and skills to succeed in their profession. We help our students to become good thinkers as well as become good leaders. Our courses are carefully arranged to be attuned to the tertiary education restructuring and reforming agenda. This needs the concerted efforts of every academic member of the school to continue working for academic excellence.

Dr. A. Q. Khan School and College Phase VIII always remain ahead in organizing various events related to academics and other activities. It is really appreciable that students of this institution have been excelling in almost every field. In addition, securing the Second position at SSC level in the FBISE examination 2023 and making the whole Bahria community proud, they have also been lifting trophies in sports, literary and cultural activities. These activities are integral for the over-all grooming of our students who learn a lot from these competitions beyond the textbooks. I extend my best wishes and the success to all the students and staff of this institution in their future endeavors.

Message of Deputy Chief Executive Bahria Town

An educational institute plays a fundamental role in the shaping of an individual's personality. Teachers are not just at the heart of an educational institute but also the ones who ultimately play a crucial role in the building of a nation and the development of a country. This collaboration between the administration, teachers, students and their parents, a smooth synchronicity aimed at collective advantage, is what we are trying to achieve at Dr. A. Q. Khan School & College Bahria Town Phase - 8. I wish to extend my best wishes and my assurance for continued support in whatever manner possible and required by the staff. I firmly believe that through our students we can play a central role in the development and progress of our beloved country. I was extremely happy to see that as an institution we have established standards that have set the bar high for others. We are doing our collective best to maintain and further improve this standard. At our grounds, we house talented and diligent individuals who are shaping our future generations with their personalities and aspirations. From the academic to the literary and onwards to the field of sports, this institute has done its best to motivate students and make them shine in their own individual domain.

(Sajid Ilyas)

Deputy Chief Executive Bahria Town

Principal's Message

As a Principal of Dr. A. Q. Khan School & College Bahria Town Phase-8, I am committed to provide an impressive and a challenging educational environment. My utmost priority is to ensure quality education coupled with character building and social grooming. Our institution displays a strong infrastructure which plays a key role in the success of teaching and learning process. We step ahead with a sound mission and a broad vision to enable our students to rise high in the world but we cannot achieve our goal without the support of parents. I am pleased to lead a highly qualified, devoted and experienced faculty to inculcate the love for learning in our students. I advise my students to take benefits from the wide range of curricular and co-curricular opportunities that the institution provides to prepare themselves for their future endeavours.

I expect from my faculty and the students to utilize their potentials to the fullest to contribute to the local, national and global community in a glorious way. I heartily wish Dr. A. Q. Khan School & College Bahria Town Phase-8 and everyone present here, great success and glory in times ahead.

College has dedicated website and face book page for the effective communication between school and parents/students. Moreover, campus do have internal security cameras for meaningful security and vigilance from any threat. Apart from that College horticulture department keeps the campus green and blossoming with seasonal flowers through out the year.

Reception

We have an immaculate reception area to welcome our wide variety of visitors and guide them to their specific destination. Fundamental information regarding our prestigious institute and its policies can be received from the college reception. Our Reception desk plays a vital role to maintain telephonic communication between parents and college administration. It also contributes to the security of the institution by helping to monitor visitors accessing the institution.

Admin & Accounts Office

The Admin and Account offices can be found on the ground floor of the Malik Riaz Block. Both departments are executing their respective duties efficiently ensuring the smooth functioning of the system.

Academic Branch

Academic Branch is available on the ground floor of Malik Riaz Block. This Branch is playing an effective role in the processes of new admissions, coordination with FBISE for Board classes and terminal examinations during the session.

Day Care

To ensure workplace support, Dr. A. Q. Khan School & College Bahria Town Phase-8 provides the facility of Day-Care to its faculty members. Availability of a very carefully planned Day-Care in the college premises enables the faculty members with infants and toddlers to stay focused towards their professional goals.

Cafeteria & Stationery Shop

Three clean and well maintained cafeterias separately for the students of Primary, Girls and Boys Wings under the strict supervision of the college management are available for the students. The College hygiene Committee keeps a strict check on these cafeterias to ensure provision of healthy food to the students.

Stationery shops separately for boys and girls are also available in the college to facilitate the students and parents. College uniforms for students at all levels, books/ notebooks (from P.G-XII) and all types of regular stationery items can easily be accessed through these stationery shops.

Pre-School

Our Pre-school wing is nestled in the Rafi Block. It includes 25 airy and bright class rooms, three activity rooms and an art room. This section is well equipped to meet the needs of young children. A very carefully organized system helps them to explore and learn in a very comfortable environment. Our Pre-school offers a strong and effective curriculum based on the Montessori philosophy fostering self-esteem, independence, empathy and social consciousness. Our trained teachers in Pre-school empowered with the appropriate knowledge and professional competencies play a vital role not only in the physical, cognitive and emotional development of children but also enable them to acquire academic skills through interesting activities.

Play Group

Children within the age bracket of 3 to 4 years are allotted admission in Play Group. Play Group classrooms provide a friendly and caring environment to set an excellent foundation for the future academic life of the students. The administration ensures constant care and use of adequate Montessori equipment to capture the interest of young explorers. Curriculum of P.G is designed by strictly following the internationally recognized benchmarks and academic standards. The pace of studies is adopted according to the learning capacity of the children.

Nursery

Children of age 4 to 5 years are eligible to take admission in Nursery class. Our Nursery classrooms offer an environment of adventure and discovery to each child along with a challenging and exciting curriculum. This stage not only develops literacy skills but also inculcates a love for learning and a positive self-image. The proficiently designed curriculum will help young children to eliminate their queries through exploration, experimentation and conversation. Curriculum focuses on the development of reading, writing, listening and speaking skills as well as to make a child adept at sequence counting.

Prep

Prep classes are planned to prepare young students for the academic demands of formal school life. In this year, they not only enhance their communication skills but also strengthen their literacy and numeracy skills. Students are provided with a broad range of curricular and co-curricular opportunities to gain a clear knowledge and understanding of the world. The curriculum of Prep class encompasses English & Urdu languages (Listening, Speaking, Reading & Writing), Mathematics (Numeracy), Islamic Studies, history, music and creative art. By end of the year, children are able to comprehend written passages, construct sentences and have a fair knowledge of numbers.

Students' Creativity

Students' Creativity

Art Room

Learning through and about the arts enriches the experience of studying while at school as well as preparing students for life after school. The College has allocated quite a big room as an Art Room to facilitate students of all classes. There is a dedicated Art Teacher who plays a vital role in polishing the art skills of students.

Libraries

The college possess two spacious and well-furnished libraries to cater the needs of junior and senior sections of the College separately. Well trained and experienced staff allocated in both libraries to maintain the libraries and guide the students. Main Library of the College is located in Ilyas Block which is opened for the public as well. It is a house stuffed with the latest books on various topics, newspapers, magazines, national and International journals and appropriate reference materials for the senior students. Junior students are accompanied and helped by their teachers in the library to inculcate love of reading books in them.

Auditorium

Built according to International standards, the auditorium reflects, like everything else at the college, the commitment to provide students with the best of facilities. Equipped with full-fledged audio-visual equipment and a digital projection system, the college auditorium is the stage for numerous important programs throughout the year.

Multi-Purpose Hall

Our Multipurpose Hall is an architecturally wonderful structure which is located in Ilyas Block. It extends its services during Board and College internal examinations. It also caters various CCA/ECA activities. It is technologically integrated and fully equipped for the staging of a wide variety of events.

Sports Ground

Sports grounds in the college are really big and wide. They are designed according to the needs of different sports and levels of classes. Playground for juniors is equipped with various swings along with a grassy ground while the main sports ground of the college is divided in three sections. One section is for playing football and the other two are the basketball and badminton courts. Cricket is also given an ample space in the college playground. College provides facilities for indoor games as well like table tennis and badminton. College holds all Inter-House competitions in its own sports grounds while for Inter-School championship we avail the services of Bahria Town by using the international standard Rafi Stadium Bahria Town phase-8.

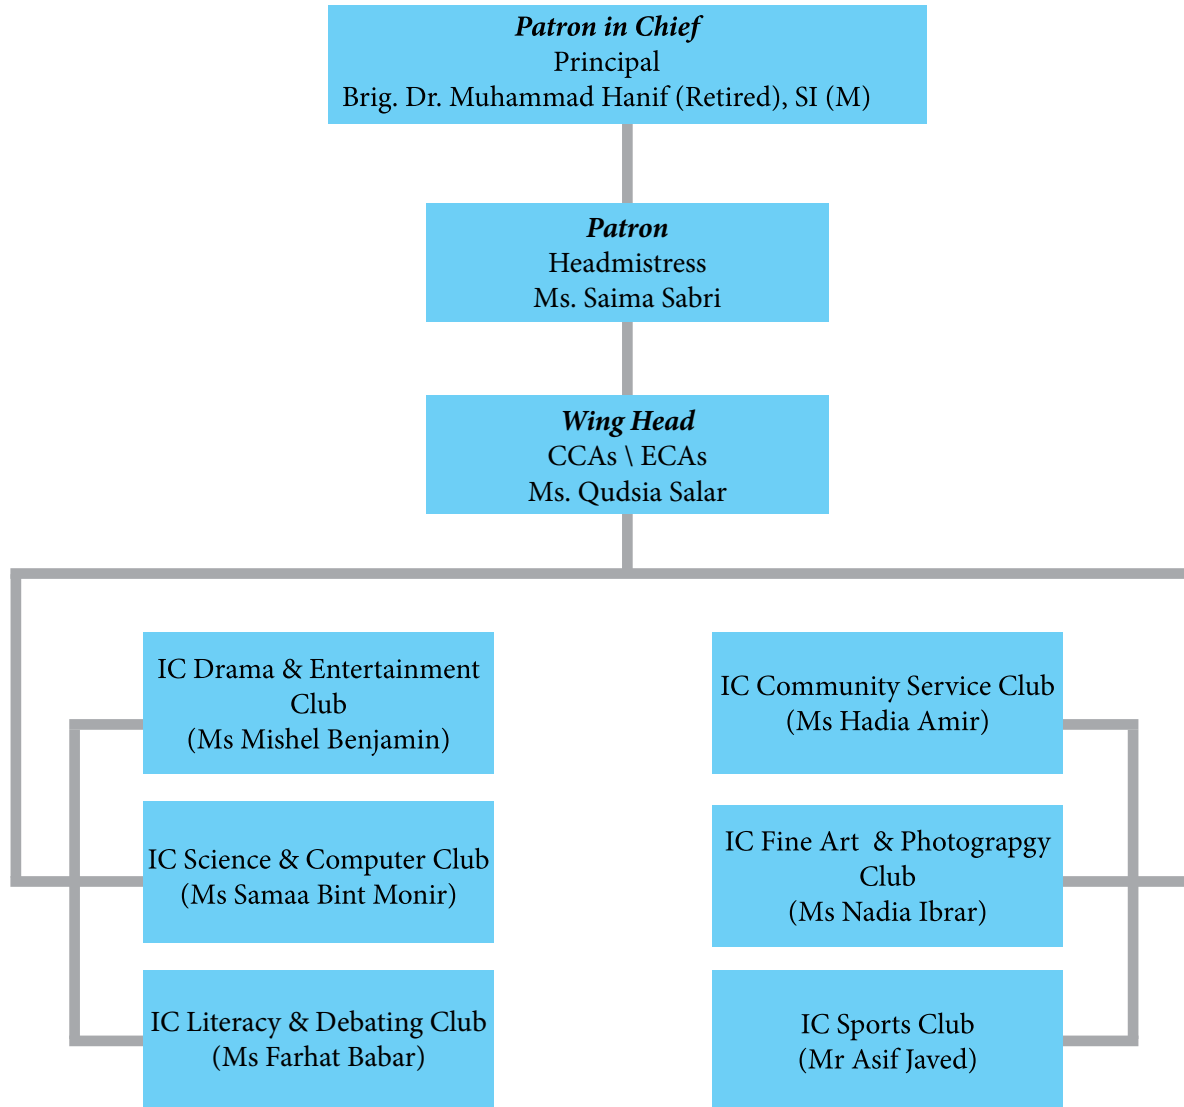

Play Land for Pre-school

The College Principal Brig. Dr. Muhammad Hanif (R) ,SI (M) has recently added a Play Land specifically for Pre Schoolers in the Campus. This area is very carefully designed and equipped with different colourful swings as per the age group of the young students. Mega Events of the College

Winter Festival

December 23, 2023 witnessed the exuberant celebration and a fun filled day at the campus. Winter Festival is one of the annual mega events of Dr. A. Q Khan School & College Bahria Town Phase 8 which is celebrated every year with the slogan 'Education through recreation.' Students along with their parents enjoyed it on a sunny and bright day of this winter season.

Representation of PEIRA in Pakistan Learning/Book Festival

Pakistan Learning / Book Festival 2023 was organized by the Ministry of Federal Education & Professional Training at Pak China Friendship Center Islamabad. Chairperson PEIRA Dr. Syeda Zia Batool has honoured our Campus by selecting it to represent PEIRA at this wonderful forum. The event was attended by Federal Minister of Education Mr. Madad Ali Sindhi & Federal Secretary Mr. Waseem Ajmal Chaudhry. Along with Chairperson PEIRA Dr. Syeda Zia Batool, Principal Brig. Dr. Muhammad Hanif (R) SI (M) has also adorned the occasion.

Career Counselling Session

Career Counselling Sessions are regularly organized for the senior students of the College. These sessions help the students to select the right career according to their aptitude and demand of the fields.

Recreational/Study Trips/Tours

Students are provided with the opportunities to visit various places and sites with educational and recreational purposes to broaden their knowledge and vision.

Visit to Jamia Masjid Malik Riaz Hussain

Visit to Chinar Golf Club Bhurban

Visit to Joyland Rawalpindi

Visit to Raiha CineGold Plex

Visit to Pakistan Monument Museum

Swimming Pools

The college has three swimming pools for the students of different ages. Our swimming pools are designed to meet all health and safety guidelines. Pool staff is trained to maintain appropriate water chemistry and keep a strict hygiene check. Students are always under the watchful eyes of swimming coach. Swimming Pools are opened for the residents of Bahria Town Phase - 8.

Medical / First Aid Facilities

The college has sufficient arrangement to provide first aid to minor injuries and ailments. In case of any serious health issue, parents/guardians are informed immediately. MI Room provides an immediate, safe and supportive environment where students can receive basic medical care, assistance and support during school hours.

Transport Facility

The institution has an extensive fleet of well-maintained buses and vans which cover a large radius around Bahria Town Phase-8. All college vehicles are manned by expert and experienced drivers. The buses have a conductor to ensure the safety of all the students on board. The management ensures well behaved transport staff and comfortable vehicles for the satisfaction of the students as well as their parents.

Students' Counselling

School counsellors offer individual counselling to help students resolve personal or interpersonal problems. Student counsellors assist students at all levels from Pre-school to College. They listen to students concerns about academic, their emotional or social problems and guide them on their behavioural problems. The College provides these sessions through College Counsellors (FMs from Psychology department) as well as by professionally trained psychologist/counsellor from Bahria Rehab Center.

Rules & Regulations

A summary of rules for the students is appended below:

- The College keeps a strict policy regarding Discipline. A strict disciplinary action, including expulsion from the college, shall be taken against the DISCIPLINE CASES.
- MOBILES/CAMERAS are strictly prohibited and will be confiscated.
- The college encourages sports activities and provides sports gear to the students during games periods. The students are Not allowed to bring their own sports gear in the College.
- Vandalism, immoral conduct i.e stealing, use of abusive language, gross misbehaviour, show of disrespect/rudeness to the staff and the senior students shall be considered major offences and shall warrant strict disciplinary action.
- Disrespect to the teachers shall be considered an unpardonable offence. A severe and swift action (including expulsion from the college) shall be taken against such offences.
- The students are to follow the uniform code strictly. Those who are dressed in violation of the dress code on any day would not be allowed to attend the classes.
- Students are expected to be regular and punctual. Penalties shall be awarded to habitual late comers. The college gates will be closed daily at 0745 and no students will be allowed in thereafter.
- The name of a student who remains absent from the college for ten consecutive days without leave is liable to be struck off the college rolls.
- As per Board policy regarding attendance, a student who records an attendance less than 75% shall not be allowed to sit the final examination and will be required to repeat the class.
- Bullying is considered highly undesirable and is aggressively curbed and discouraged. We expect the students to develop courage to report the cases of bullying to the college authorities.
- All types of Intoxicating devices/ electronic cigarettes/ drugs/ Narcotics are strictly prohibited and the students carrying any such thing shall be expelled from the College.
- The girl students are Not allowed to wear makeup and jewellery. A simple ear ring is, however, allowed to protect and keep in tact the ear piercing. Only black or brown hair bands and ruffles are allowed; fancy items are not to be used. Girl students may also use white scarves only.
- The boy students are to have proper haircut. They are not allowed to wear long or fancy hair irrespective of the fashion in vogue.
- Students may use fountain pens but they are Not allowed to bring Ink-pots.
- Students are Not allowed to ride motorbikes or drive cars to college even if they hold a valid driving licence and even if they make arrangements to park their vehicles outside the college.
- Cheating in the examination is considered a major offence and is liable for strict punishment.

Admission Policy

Admission in Dr. A. Q. Khan College is based strictly on open merit for boys and girls upon no discrimination. There are no reserved seats. Admissions are announced on annual basis with selection criteria determined by a written test followed by a series of interviews. The college also admits students during the academic year dependent upon vacancy.

While we admit students in all year groups, the most preferable is kindergarten or year eleven. Our secondary education (SSC and HSSC) is affiliated with the Federal Board of Intermediate and Secondary Education (FBISE). Following English as medium of instruction, we follow the Cambridge/Oxford University-outlined curriculum for primary and middle schools while FBISE-mandated courses are followed at upper levels.

Assessment and Evaluation

Examination And Evaluation

A systematic process of students' assessment is pursued as an essential element of the College Calendar. Their academic standing is adjudged regularly and back up action devised promptly for improvement of performance. A classification of tests and examination is cited as under:

Fortnightly Evaluation

On completion of a unit/chapter/lesson, the students are required to take proper written test of each subject. Marks obtained are kept in the Record and also sent to the parents for information and signature.

Weekly Assessment

A spot test of short duration is held every week to ascertain the comprehension and study routine of the students. It may be conducted orally or in writing as per the requirement of the course contents. The attainment is recorded on the students' performance chart.

End-Term Examination

The end term examination is held twice a year at the close of 1st and Second terms of the academic session. The students' result and standing in the class/section are communicated to parents through a formal 'Result Report'. The marked answer scripts too are returned along.
